#### BA NATIONAL 5\* ACCOMMODATION AWARD 2007.

As a completely independent Award Programme, recognising business excellence across a wide range of disciplines, the Business Achievement Award is recognised both locally and nationally.

Commenting on receiving this accolade Mike and Joy Way owners of Barton Court said: *"Our first thoughts were WOW... as with any award winner... but then a tremendous amount of pride. How fantastic to be recognised for all the hard work we have put into this venture, which has been open for such a short space of time. We only completed the SPA complex and gym last year and to have this kind of feedback so soon is absolutely tremendous. But above all we pride ourselves on the high Standard of customer service and care we provide. Our commitment to make everyone who comes here feel special is very important to us and this award demonstrates we must be doing it right"*
